

Dear AAOMPT Member:

After 5 years of maintaining the same fee for membership and due to significant growth of the AAOMPT, the Executive Committee brought forth a motion at the Annual Membership Business meeting in October 2008 at which time the members voted to increase the membership dues for year 2009. Please realize this increase was approved after great consideration. The fees for year 2009 are as follows:

Members \$125

Fellows \$155

All other fees remain the same for 2009

We feel this new membership rate is very reasonable and off set with the benefits of being a member of AAOMPT. Also, \$45 of your AAOMPT membership fee goes directly to the JMMT.

Since the Annual Conference has always been one of the year's highlights to our members, we continue to consider ways to improve the meeting for all attendees. I know you will want to be a part of this year's meeting so mark your calendar and plan to meet with us in Crystal City, Virginia, October 10-14, 2009. Watch your email and continue to view the website for conference information updates also.

Your Executive Committee and headquarters staff is excited to serve you this year!
